TSX Approves ECN Capital's Normal Course Issuer Bid

Toronto, Canada – June 30, 2017 – ECN Capital Corp. ("ECN Capital" or the "Company") today announced that the Toronto Stock Exchange (the "TSX") has approved the Company's notice of intention to commence a Normal Course Issuer Bid (the "Bid").

Pursuant to the Bid, the Company may repurchase on the open market (or as otherwise permitted), up to 36,999,219 common shares of the Corporation (the "Common Shares"), representing approximately 10% of the "public float" of the Common Shares (within the meaning of the rules of the TSX), subject to the normal terms and limitations of such a bid. ECN Capital may purchase its Common Shares at its discretion during the period commencing on July 5, 2017 and ending on the earlier of July 4, 2018 and the completion of purchases under the Bid.

Under the TSX rules, during the six months ended May 31, 2017, the average daily trading volume of the Common Shares on the TSX was 1,533,170 Common Shares and, accordingly, daily purchases on the TSX pursuant to the Bid will be limited to 383,292 Common Shares, other than purchases made pursuant to the block purchase exception. The actual number of Common Shares which may be purchased pursuant to the Bid and the timing of any such purchases will be determined by ECN Capital, subject to applicable law and the rules of the TSX.

Purchases pursuant to the Bid are expected to be made through the facilities of the TSX, or such other permitted means (including through alternative trading systems in Canada), at prevailing market prices or as otherwise permitted. The Bid will be funded using existing cash resources, and any Common Shares repurchased by the Company under the Bid will be cancelled.

As of June 29, 2017, the Company had 388,526,883 issued and outstanding Common Shares and a "public float" of 369,992,195 Common Shares.

The Company believes that the Bid is in the best interest of the Company and constitutes a desirable use of its funds.
