Certain information in this presentation is forward-looking and related to anticipated financial performance, events and strategies. When used in this context, words such as “will”, “anticipate”, “believe”, “plan”, “intend”, “target” and “expect” or similar words suggest future outcomes. Forward-looking statements relate to, among other things, ECN Capital Corp.’s (“ECN Capital”) objectives and strategy; future cash flows, financial condition, operating performance, financial ratios, projected asset base and capital expenditures; anticipated cash needs, capital requirements and need for and cost of additional financing; future assets; demand for services; ECN Capital’s competitive position; expected growth in originations; and anticipated trends and challenges in ECN Capital’s business and the markets in which it operates; and the plans, strategies and objectives of ECN Capital for the future.

The forward-looking information and statements contained in this presentation reflect several material factors and expectations and assumptions of ECN Capital including, without limitation: that ECN Capital will conduct its operations in a manner consistent with its expectations and, where applicable, consistent with past practice; ECN Capital’s continued ability to successfully execute on its strategic transition; the general continuance of current or, where applicable, assumed industry conditions; the continuance of existing (and in certain circumstances, the implementation of proposed) tax and regulatory regimes; certain cost assumptions; the continued availability of adequate debt and/or equity financing and cash flow to fund its capital and operating requirements as needed; and the extent of its liabilities. ECN Capital believes the material factors, expectations and assumptions reflected in the forward-looking information and statements are reasonable but no assurance can be given that these factors, expectations and assumptions will prove to be correct.

By their nature, such forward-looking information and statements are subject to significant risks and uncertainties, which could cause the actual results and experience to be materially different than the anticipated results. Such risks and uncertainties include, but are not limited to, operating performance, regulatory and government decisions, competitive pressures and the ability to retain major customers, rapid technological changes, availability and cost of financing, availability of labor and management resources, the performance of partners, contractors and suppliers.

Readers are cautioned not to place undue reliance on forward-looking statements as actual results could differ materially from the plans, expectations, estimates or intentions expressed in the forward-looking statements. Except as required by law, ECN Capital disclaims any intention and assumes no obligation to update any forward-looking statement, whether as a result of new information, future events or otherwise.
ECN Capital’s audited consolidated financial statements have been prepared in accordance with International Financial Reporting Standards (“IFRS”) as issued by the International Accounting Standards Board and the accounting policies we adopted in accordance with IFRS. In this presentation, management has used certain terms, including adjusted operating income before tax, adjusted operating income after tax, adjusted operating income after tax EPS and managed assets, which do not have a standardized meaning under IFRS and are unlikely to be comparable to similar measures presented by other organizations. ECN Capital believes that certain non-IFRS Measures can be useful to investors because they provide a means by which investors can evaluate ECN Capital’s underlying key drivers and operating performance of the business, exclusive of certain adjustments and activities that investors may consider to be unrelated to the underlying economic performance of the business of a given period. Throughout this presentation, management used a number of terms and ratios which do not have a standardized meaning under IFRS and are unlikely to be comparable to similar measures presented by other organizations. A full description of these measures can be found in the Management Discussion & Analysis that accompanies the financial statements for the quarter ended December 31, 2018. ECN Capital’s management discussion and analysis for the three-month period ended December 31, 2018 has been filed on SEDAR (www.sedar.com) and is available under the investor section of the ECN Capital’s website (www.ecncapitalcorp.com).

This presentation and, in particular the information in respect of ECN Capital’s prospective originations, revenues, operating income, adjusted operating income, adjusted operating income EPS, and intrinsic value illustration may contain future oriented financial information (“FOFI”) within the meaning of applicable securities laws. The FOFI has been prepared by management to provide an outlook on ECN Capital’s proposed activities and potential results and may not be appropriate for other purposes. The FOFI has been prepared based on a number of assumptions, including the assumptions discussed above, and assumptions with respect to operating costs, foreign exchange rates, general and administrative expenses and expected originations growth. ECN Capital and management believe that the FOFI has been prepared on a reasonable basis, reflecting management’s best estimates and judgments, however, the actual results of operations of ECN Capital and the resulting financial results may vary from the amounts set forth herein and such variations may be material. FOI contained in this presentation was made as of the date of this presentation and ECN Capital disclaims any intention or obligation to update or revise any FOI contained in this presentation, whether as a result of new information, future events or otherwise, unless required pursuant to applicable law.

CFO Transition

Michael Lepore
Chief Financial Officer

Michael Lepore, formerly SVP and Controller, is assuming the role of CFO as part of ECN’s previously announced plan to relocate senior management to its Florida offices effective immediately.

Mr. Lepore has been intimately involved in all aspects of ECN’s business and all functions have been fully transitioned to him over the last several months.

During 2018, Grier Colter informed management that he was not intending to relocate and has been actively working with Mr. Lepore to effect the transition.

Mr. Colter has been instrumental throughout ECN’s strategic transition and ECN wishes him success in all future endeavors.

Mr. Lepore has over 25 years experience in finance and prior to joining ECN Capital as Senior Vice President, Controller he served as Senior Vice President, Finance of Maple Leaf Sports and Entertainment where he led the transformation of the finance department to better serve the company’s strategic objectives and oversaw the financial and management reporting, financial planning and analysis, treasury and taxation functions. Prior to that, Mr. Lepore served in senior level finance positions at large Canadian public companies, including Barrick Gold Corporation and Rockwater Capital Management.
